# Tööriistad

- Garmin Camper 770 LMT
- Garmin BaseCamp
- Garmin Express
- Garmin POI loader

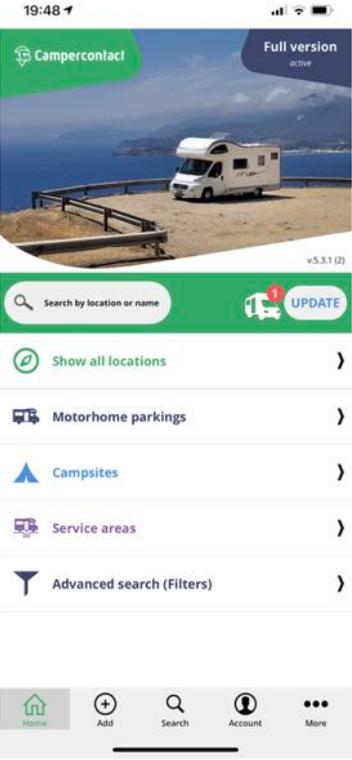

Arvutis ja nutiseadmes

- Google map
- [CamperContact](#) – kvaliteetne andmebaas (ööbimiskohad, kämpingud, teenused)
- [CamperPro](#) – karavanidiilerite võrk, tarvikud, remont jne
- [Park4night](#) – kämpingud ja ööbimiskohad. Tihti ei vasta ootusele
- [ACSI Eurocampings](#) – detailne ja kvaliteetne kämpingute andmebaas

# Huvipunktide (POI) loomine, grupeerimine

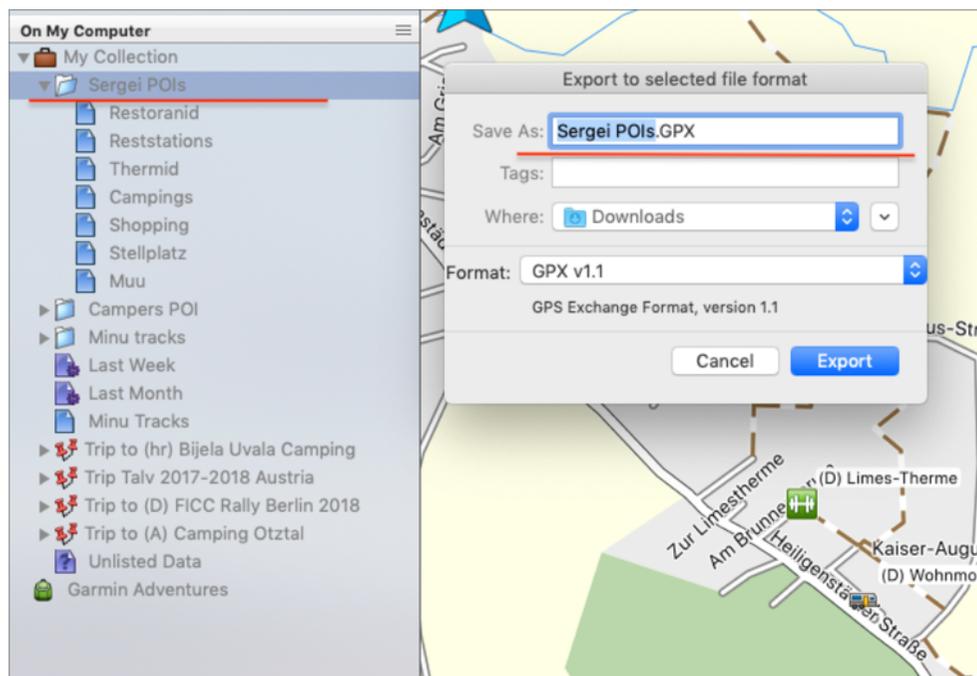

The screenshot displays the Garmin device's 'On My Computer' interface, divided into three main sections:

- Left Panel (File Explorer):** Shows a folder hierarchy under 'My Collection'. The 'Sergei POIs' folder is expanded, and the 'Campings' sub-folder is selected and highlighted in blue. Other sub-folders include Restoranid, Reststations, Thermid, Shopping, Stellplatz, and Muu. Below these are folders for 'Campers POI', 'Minu tracks', and various trip logs.
- Center Panel (POI Detail View):** Displays information for 'KKK Camping Camp'. It includes a photo of a campsite, the opening period (01/01 - 31/12), an indicative price of € 23.20, and a tour place count of 70. A 'Facilities' section lists amenities such as Popular amenities, Campsite rules, Situation of campsite, For children, Internet, Dogs, Pitch amenities, For motorhomes, Ground and vegetation, and Food, drink and groceries. A map below shows the campsite location with a red arrow pointing to a blue POI marker labeled 'KKK Camping Camp1'. A red circle highlights the navigation controls (back, forward, and info icons) at the bottom right of the detail view.
- Right Panel (File Explorer):** Shows the same 'On My Computer' interface as the left panel, but with the 'Sergei POIs' folder expanded and the 'Campings' sub-folder highlighted in blue. A red rectangle highlights the entire 'Sergei POIs' folder structure.

# Huvipunktide eksport navigaatorisse

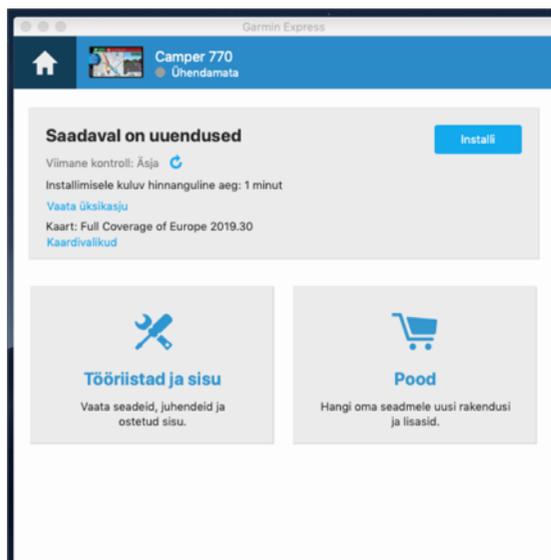

- Moodusta fail \*.GPX, mida saab salvestada arvutisse või otse navigaatorisse.
- Garmin POI loaderiga konverteeri faili \*.GPI

# Huvipunktide eksport navigatsiooni seadmesse

Käivita Garmin Express navigaatori ühendamiseks arvutiga.  
Salvesta fail \*.gpi Garmini kausta Garmin/POI

# Garmin SmartLink

„Käed vaba“ helistamine, ummikud (ka Eesti), kiiruskaamerad, ilm jne. - kuvatakse navigaatoris

# Huvipunktid „POI“ otsing/kuvamine navigaatoris

The screenshot displays a navigation application interface. At the top, it shows the current location as "Searching near: Tallinn, EST" and a search bar labeled "Enter Search". Below this, there are several navigation icons: "Go Home", "Campercontact", "Address", "History", "Categories", and "ACSI".

A search results menu is open, listing "All Categories", "Sergei POIs", "2014 CH - A", "2014 HR-G-S", and "BORDATLAS".

A detailed search results panel is also visible, showing a list of POIs with their names, distances, and directions:

POI Name	Distance	Direction
Vanamõisa caravanpark	13 <sup>k</sup> <sub>m</sub>	SW
Camping Kivitalu	13 <sup>k</sup> <sub>m</sub>	SE
Parking Jägala juga	27 <sup>k</sup> <sub>m</sub>	E
Parking aan Zee	28 <sup>k</sup> <sub>m</sub>	E
